## **Atlanta's Midtown Bank & Trust Company Adds VPs in Treasury Management, Commercial Banking and Operations**

Amidst headlines of bank failures and all time high unemployment rates, Atlanta's Midtown Bank and Trust Company is adding capital... intellectual capital.

In the third quarter, Midtown Bank and Trust Company welcomed four banking veterans to its already notable team:

1. Brian Clark, Commercial Banking Manager
2. Randy Harris, Senior Relationship Manager
3. Coleen Conaty, Treasury Management Manager
4. Ivy Anderson, Operations Manager

Brian Clark, Senior Vice President, Commercial Banking Manager, is the Manager of all Commercial Banking activities including SBA Lending, Treasury Management sales and Commercial Banking loans and deposits. Bank president Stan Kryder met Brian in 1988 when they began working together at First Union in Miami, Fla. Together, they consolidated 3 banks in 1988 and then went on to add 4 banks and 2 S&L's to the Miami franchise making it the largest in the corporation. They also worked together on two mergers in NJ/CT./NY/PA along with several strategic planning projects for First Union. Brian has served as a Commercial Banking Manager and Business Banking Manager for Wachovia in NY/CT/NJ and GA/TN/AL. Brian is a graduate of Notre Dame.

Colleen Conaty, Vice President, Treasury Management, brings more than 25 years of experience in the Banking/Treasury Management arena. She has served as president and founder of the Remote Deposit Forum for banks around the country utilizing this technology. Colleen is also a member of the Alabama Treasury Management Association.

"Colleen brings to us very strong product knowledge, sales skills, and the ability to launch new initiatives in a community bank. Her passion for the customer is very apparent and we are looking forward to working with her," says R. Stanley Kryder, President and CEO of Midtown Bank.

Randy Harris, Vice President, Commercial Banking, is a Midtown Atlanta resident and banking professional with over 30 years of experience. He has worked in virtually every area of banking during his career and brings a solid history of successful client relationships.

Most recently, Randy served as Division Manager for Commercial Banking at a large local competitor and brings strong market knowledge with him. Randy also volunteers with Junior Achievement and is a member and musician at Oakhurst Baptist Church.

Ivy Anderson, Vice President, Operations Manager, brings more than 30 years experience in Loan and Deposit Operations, as well as credit analysis, loan review and auditing, on both the community and national bank levels. Ivy is also a member of Second Ponce de Leon Baptist Church where she participates in the music ministries and teaches children's Sunday School.

"Randy, Colleen, Brian and Ivy all bring a great depth of experience not just in banking in general, but in the metro Atlanta market and in their specific areas of expertise. They've each been able to nimbly adjust to Midtown Bank's products, services and systems. Their high standards and culture mesh and enhance our own. We are fortunate to have them join our melting pot", says Rhonda Kahn, EVP & CFO/COO.
